

# Welcome

---

National Cyber Security Awareness  
Month

Home Security Part II: Securing Your  
PC

October 11th, 2012

Where Innovation Is Tradition

# National Cyber Security Awareness Month

- What is National Cyber Security Awareness Month (NCSAM)?
  - ✓ NCSAM is a national initiative started in 2004 by the Department of Homeland Security, in conjunction with the National Cyber Security Alliance (NCSA) and the Multi-State Information Sharing and Analysis Center (MS-ISAC)
  - ✓ It was created to help educate, raise awareness, and promote cyber security across both the public and private sectors

# What is Mason doing for NCSAM?

## ➤ Seminars

- ✓ The IT Security Office will be hosting 4 seminars, one each Thursday in October
- ✓ Different topic each week
- ✓ Open to the entire Mason community

## ➤ Online Resources

- ✓ In addition to the seminars, there will be additional information and resources posted on the IT Security website
- ✓ All presentations and handouts from the seminars will be posted

# Cyber Security Awareness Month

Cyber Security is “Our Shared Responsibility” so spread the word and help raise awareness!
